

Things to Bring

- Things to have with you for our day on the water
 - NYS Fishing License
 - If you have your own Rod, Reel, Waders, Boots, Flies and other Fly Fishing Gear feel free to bring it along so you can become more comfortable with it.
 - Layers of Clothes and Rain Gear... Always know that the weather is “cooler” near the water. Pants to be worn under waders should be base layer or sweat pant. NO Jeans
 - Sunglasses (Polarized is best)
 - Hat with a Brim to block the sun
 - Personal Snacks and Something to Drink
 - Sun screen and Bug Spray... We love the bugs for fishing but don't love the bites!
